RICE STREET CONCEPT

Rice Street invites you on a culinary journey through the authentic flavors of Japan.

Inspired by the vibrant atmosphere of Japanese night markets, we offer a selection of freshly prepared dishes to enjoy in our minimalist, contemporary restaurant or to take away.

Our menu features traditional favorites such as gyoza (Japanese dumplings), karaage (Japanese fried chicken), takoyaki (octopus balls), and a variety of appetizers. You'll also find classic nigiri, an assortment of California rolls and maki, all handcrafted in our kitchen using premium whole fresh salmon, expertly filleted and prepared in-house.

For main courses, discover our signature chirashi, donburi, and katsu curry. Noodle lovers can enjoy our yakisoba and ramen, prepared with our fresh homemade noodles.

To complement your meal, Rice Street also offers a carefully selected range of Japanese sake, perfectly paired with raw and lightly seared fish.
