Rice Street

# THE RICE STREET CONCEPT

Rice Street brings you a culinary travel to discover Japanese specialities.

Immersed in the atmosphere of the night markets, there is a selection of dishes prepared for here, to take away, or to dine in a restaurant with 40 seats in a minimalist and refined style.

On the menu, there are gyozas (traditional dumplings), karaages (fried chicken balls), traditional sushi, and a selection of California rolls. In the main course, we highlight our best nigiri recipes. The best chirashi is on the menu, as well as donburi. Noodle lovers can order yakisoba, ramen, and udon; grilled meat lovers opt for yakitori skewers.

For drinks, bubble tea is available with matcha, cinnamon, and coconut. The teas go well with all kinds of fruits (lychee, peach, lemon, mango, passion fruit...).

Rice Street also showcases different kinds of Japanese beer, and sake will accompany raw or semi-cooked fish.

Most sushi contains allergens:  
fish & sesame
